

Mission

Updated: July 2016

Revised and amended March 13, 2023

To support and connect community members, the Geraldine E. Anderson Village Library provides free and open access to a broad range of information, materials, and services that contribute to life-long learning and enjoyment for people of all ages and backgrounds.

The Library does this through:

- Village of Dresser's commitment to a municipal library
- Cooperative efforts with Village departments, other libraries, and other community organizations
- Sharing resources with the library system and beyond
- Emphasizing and encouraging people of all ages to read
- Providing welcoming and responsive staff
- Providing community-driven programming
